Attached are the Personal and Company Applications for the Advanced Management Program at Harvard for ██████████

██████████ who has been selected, subject to final approval by the Director, for the Spring Session 1974 starting 3 February.

Two letters of appraisal must accompany the application forms (see last page of personal application). The Company Application is usually completed and signed by one of the persons writing a letter of appraisal. On both forms the business address should be shown as Washington, D.C. 20505. Two photographs must be sent with the personal application.

Agency people who attend this course must do so on a completely overt basis. Since ██████████ has had many overseas tours of duty, you will have to clear all of this with the Central Cover Staff before we send the papers to Harvard. 1 October is the deadline for nominations for the Spring session. I should appreciate your forwarding the completed papers to me by 24 September and we will forward them to Harvard.

Thank you.
